United Nations, as powerful as it may be, seemed rather distant to us in actuality. But lately United Nations seems at our very door with all the work and energy that is being devoted to its Educational, Scientific, and Cultural Organization. The purpose of this group is to educate the peoples of all nations since wars were more purely from ignorance.

The work of San Diego High's UNESCO group is mainly along the educating lines. Contrary to popular belief, the people of the United States are in need of education that will enable them to understand and respect all other peoples of the world. We seem to feel in many cases that it is always the other country, the other people that are causing trouble. But through lack of interest, the people of this country are guilty of ignorance.

It is we who are now students of the world who will see it really work. It is we who will make it work. Therefore, if it is to succeed, we must take an interest in it. Thus, with work and understanding, peace will reign.

Best of Activities

Tom Lombardy -51-

This year we find our old friend Charlie Caveman poking his nose into all sorts of activities. He wants something on the senior page besides his picture.

Hooray! Yes, that's our boy Charlie over the line for a touchdown, and San Diego walks over Hoover in another great football carnival. There, along with Charlie, are the Sergeanettes and Song and Yell Leaders cheering our team on to victory.

Next we find our man right in the middle of more excitement, introducing the new to the old on our annual Homecoming Day. Those silent and talkie movies along with the Charleston were really sensational.

What's this? Charlie with a megaphone and a paint brush, painting all the trash cans bright blue and yelling, "Let's keep our campus clean!" He's trying to do his part in the Boys' Federation clean-up campaign.

Charlie settles down a little and decides to do some reading. He picks up a bulletin, expecting it to be rather dull, but instead it says, "Save a nickel for a pickle." That's our junior class again with its rhymes that would drive us crazy if homework didn't beat them to it.

Next we find Charlie racking his brain about something. As we get nearer we can hear him saying, "What chick can I take to Mistletoe Mischief, that great dance put on by the senior class, or Winter Whirl by the junior class, or A Midnight Kiss, the annual Sergeanettes' Ball, or Skunk Hollow Hop, the Boys' Federation brain storm?" Shall we leave him with his troubles?

Oh, no, not Charlie, too! Almost anywhere we look in the Gray Castle we find a bunch of knit wits racking their brains over a pair of argyle socks instead of you know what.

One, two, three, kick! One, two, three, kick! Yes, there he is again sitting right in the front row watching those gorgeous Cavebells trying out for Campus Capers, the greatest show West of the Sierras.

Now we find Charlie at the Annual Spring Concert taking in some long-haired stuff for a change. He is pretty well worn out, but our man still has enough of that San Diego High School spirit for the super colossal Senior Skating Party, where the senior boys show off their talents in playing hockey, and that long-awaited Ditch Day. (Oh, my aching sunburn!) Then there's Dads and Grads, where the grads and their dads "play ball," and Mothers' Tea for the Moms. Next, showing their hidden talents, are the seniors again in that sensational senior play, "The Road to Yesterday." Gift Day is another great senior event concluded by our Senior Prom with all the color, beauty, and gaiety of a royal ball. Last of all is Commencement and those final grades we've all been waiting for.

Everyone, like Charlie, has his own little banner to wave so, "San Diego, San Diego, wave your banners high!"

Dear Paul,
We're sure had fun this year. Look by stuck to a real
awful guy. See you next year.

Clubs

Tempted from his lair by the warmth of September, Charlie Cave-man stretched his squat, square body, flexed his biceps, tossed his hair from his eyes, and started, club in hand, on his yearly canvass of the Cave spirit. Charlie's congenial nature was pleased when he learned of the various club activities. He heard that the Mai-Wa sent money to aid the blind children of China, and he looked over the Hi Y's Brotherhood Week display in the front hall. At the Naval Hospital, he found scrapbooks made by the Aquinas Club.

Whenever faithful workers were needed at the Hilltop, Charlie saw the hands of the Key Club and CSFers. The unnoticed job of preparing for Senior Career Day was handled by the boys of the Key Club, while guides to help confused sophomores and parents on the first day of school and at Open Houses were furnished by the CSF.

Unseen by ambitious Hillers, our man Charlie watched students follow their own hobbies and activities. "Hey, Charlie! Watch out for those bullets!" warned an R.O.T.C. rifleman. "Our team is firing with all the J.C. college and high school teams in the western states to judge the top team in the Sixth Army District." Oops! What happened to Charlie? This excitement must have been too much for him.

There he was, though, settling down to watch a peaceful chess tournament between the Grossmont and S.D.H.S. Chess Clubs, the latter winning three to two.

Say, where's that speech coming from? Oh, it was just Charlie again; he was trying to join the Debate Club! But they didn't need any help. The Drama Department and Debate Club together brought home the Sweepstakes trophy for the second time from the State College Speech Tournament, missed first place by only one point in the Redlands Tournament, and gave school-wide panels on UNESCO. The Drama Club presented "Peg o' My Heart." No, Charlie's help wasn't needed here.

Why even the Chemistry Club was planning ahead! Mr. Peterson was helping the kids prepare for tough college chemistry courses and with all the information the CSF has to offer on scholarships and colleges perhaps more Hillers will be continuing their education.

Our boy Charlie was an all-around guy! Knowing there are things in this world besides books, he was up there with cheers, songs, and spirit when our mighty faculty nosed out the seniors in a basketball game sponsored by the Key Club. Charlie helped polish that trophy that went to the faculty, then ate a cream puff with the seniors. He saw J.O.'s come out victorious in the Long Beach Optimist Tournament taking the first place consolation prize.

With the end of the school year approaching, our little caveman suddenly found himself in the middle of a mad social whirl. He was invited to the picnics given by the Aquinas Club, Pan-American Club, Teen-Age Book Club; and he even sneaked out on CSF Ditch Day. With his "Sombrero y Zapatos" he watched over the J.O.'s Taco Fiesta. But Charlie's travel lust came to a climax when (not without his water wings) he went off with the Chemistry Club for a jaunt around the bay.

Yes, this has been an active year for Charlie! He'll need his rest come June; so we'll let our tired little caveman trudge back to his lair, knowing that he'll not soon forget the class of '50.

Football . . .

"We want a touchdown!" "Down in front!" "Watch out!" "Hold that line!" Yes, as always, this year's football season filled everyone with that old football fever. Everything else was dropped when a football game was being played. Our football team didn't let their fans down either, except for that fateful homecoming game.

Seldom does a San Diego High team fail to win nearly all of its games and have its season lauded as one of the most successful in the school's history. With more inexperienced players than in any recent season, Coach Duane Maley and his most able assistant, Coach Bill Burrows, whipped the Cave gridders into a first-class team.

VARSITY FOOTBALL—Front row, left to right: Burton, manager; Malaban, Torres, Real, Remp, McInroe, Graus, Tanzer, Thomas, McDairmont, Poyner, R. Simpson, Brooks, F. Johnson, Fox, manager; Garrett, manager. Second row: Coach Maley, White, manager; H. Simpson, D. Johnson, Thompson, M. Hall, E. Loman, Doyle,

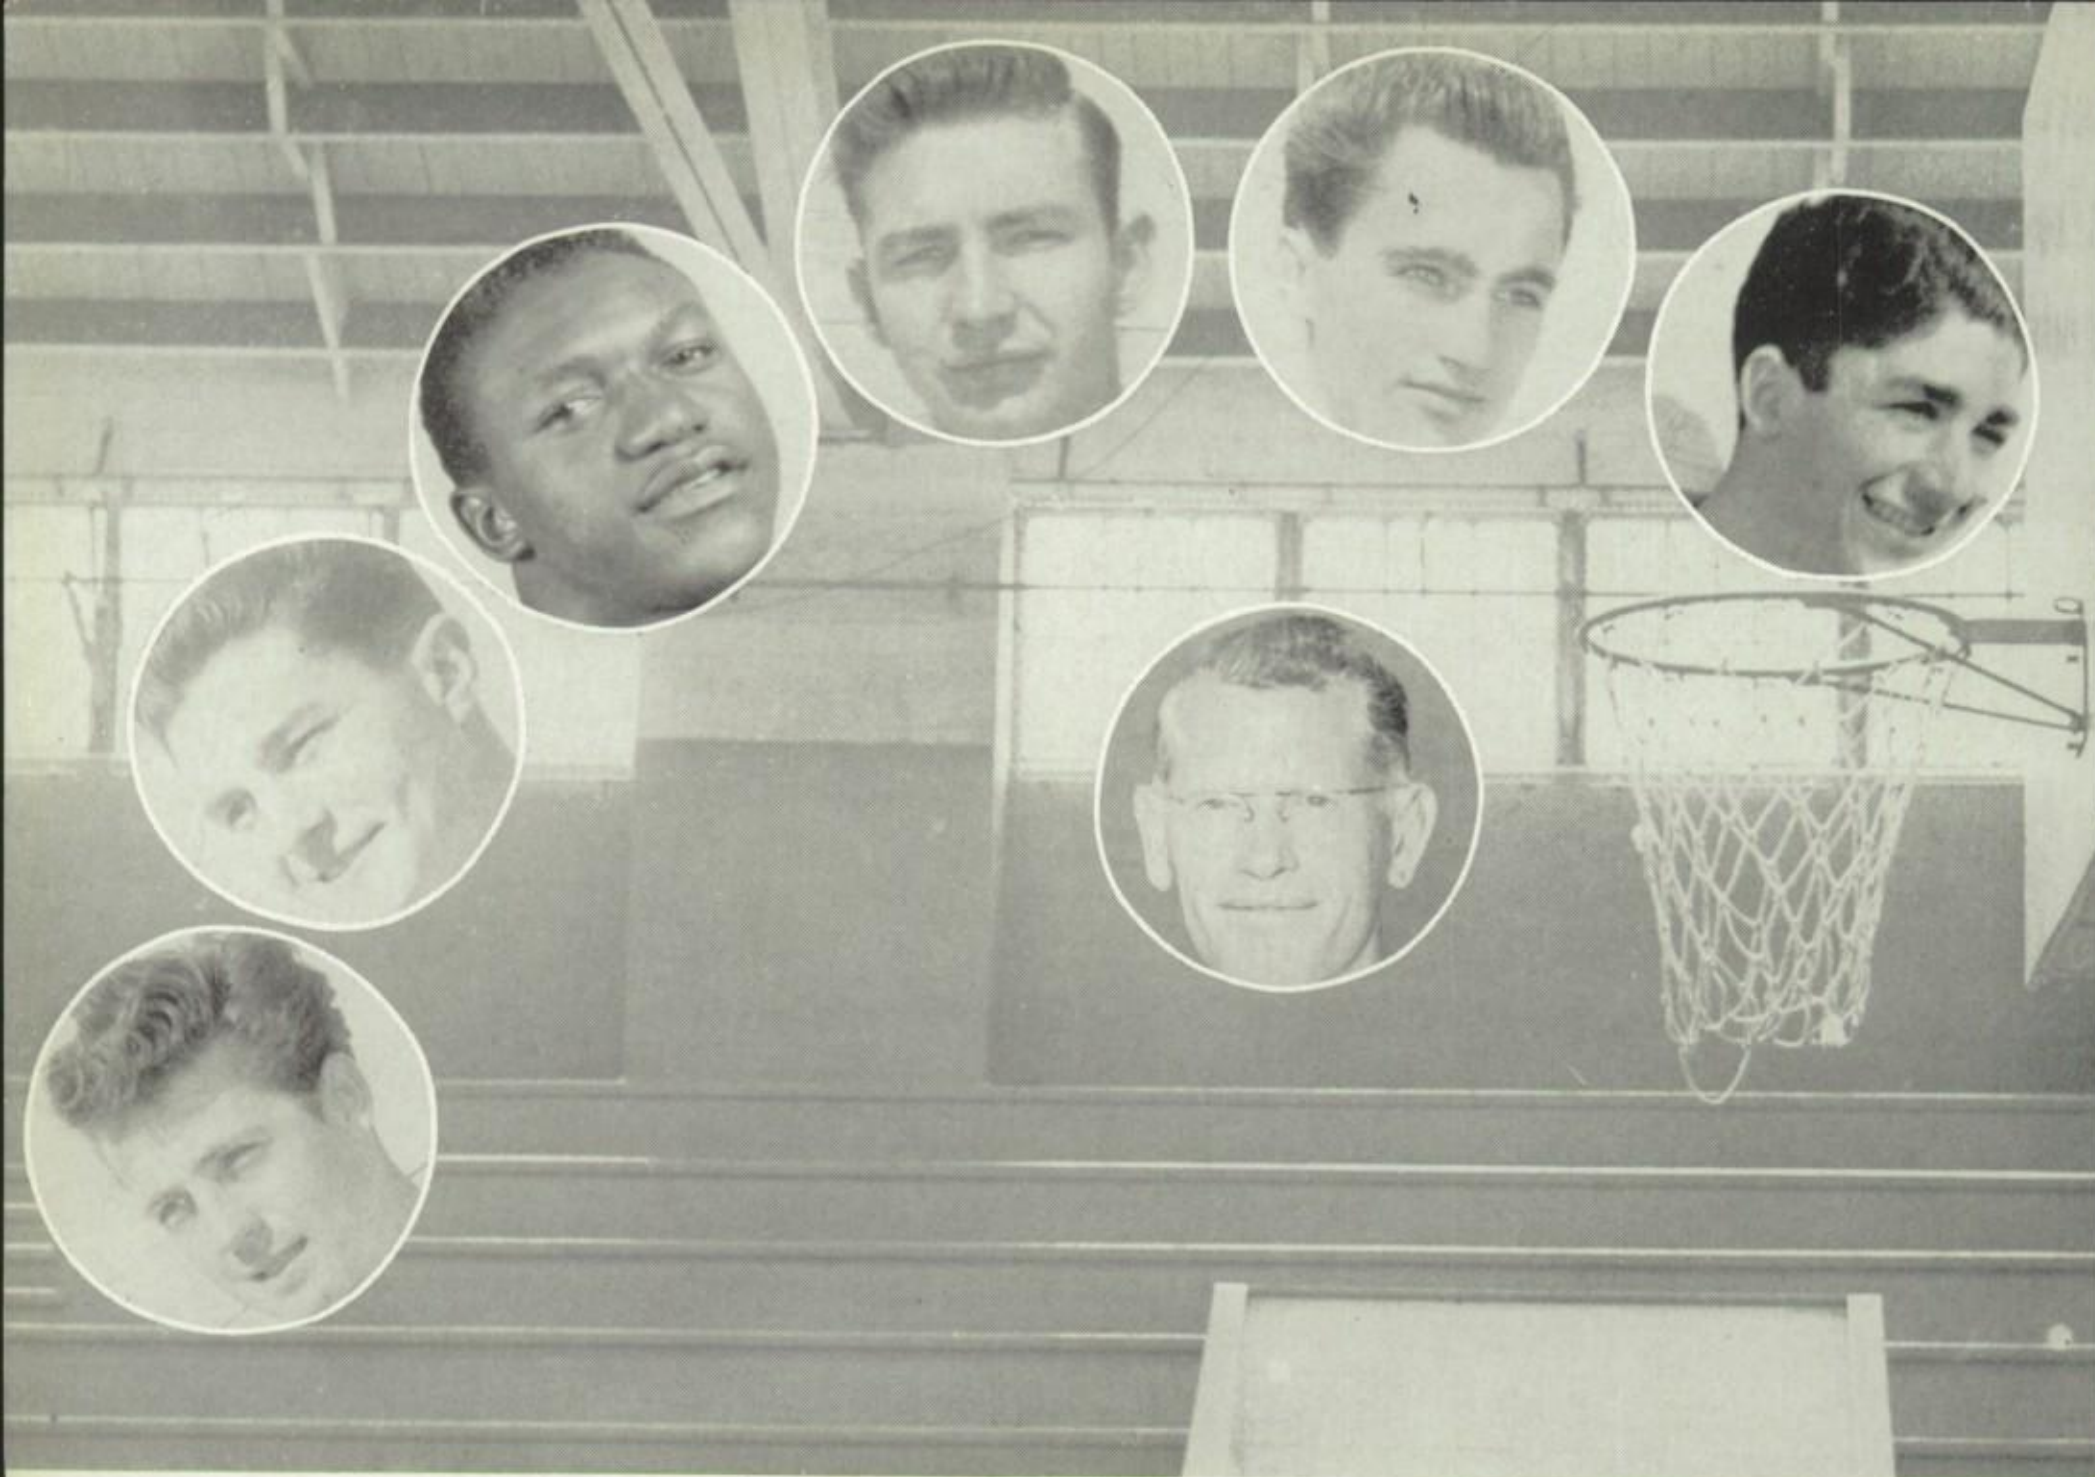

The Cavemen started off the season in the annual football carnival. Playing crosstown rival Hoover, under pressure the Cave gridders came out on the long end of a 6-0 score in the allotted twenty minutes. Then the Cavemen rolled over John Muir, Pasadena, Bakersfield, Point Loma, and Grossmont.

We had our losses, too! The first was a heartbreaker to Phoenix in a high scoring game, 39-33; the second game was won by Compton, the first-place Coast leaguers, who played a hard game of heads-up ball to subdue the San Diegans, 19-13. The team went on to win the SCIF Championships over Santa Barbara, 18-13. In the annual homecoming game Hoover's spirited Cardinals came out on the long end of the score. The game was quite a combat, ending with the Cards winning for the first time in seven years.

Heselius, Vargas, Sanfillipo, Nicholas, Lauer, Toco, Silas, Coach Burrows. Third row: Duncan, Wallace, Sallings, Morgan, Stringfellow, Walton, Lewis, T. Loman, Schafer, Powell, Sibbald, Berg, B. Hall, Brown, McClister.

Basketball

San Diego High's basketball team, that previously had ranked fourth position in the local Kiwanis tourney, surprised everyone by capturing the first place trophy in the Compton Invitational Tournament.

Opening their 1950 season, the Hillers smashed La Jolla, upset the alumni, and set Chula Vista and Point Loma down in rapid succession.

In the ten league frays, the Cavemen finished with a 6-4 record to achieve a second place tie with Pasadena. The league schedule had many exciting games including a one-point win over Muir and an upset loss of 37-35 to an inspired Grossmont crew.

Closing the season, San Diego reached the quarter final round in the Beverly Hills tournament, losing to Ventura High, 39-43.

All in all, 20 wins, 7 losses is a fine record for a great basketball team. Also Dean Davis was named as guard on the all-SCIF team with both Roy Fields and himself gaining places on the all-Coast team.

BASKETBALL (VARSITY)—Front row, left to right: Allen, manager; J. Zimmerman, Davis, Fields, Neel, Solomon, Heselius, Wilks, T. Zimmerman. Second row: Coach Douglas, Stanton, Walton, Kuhnel, Briggs, Rinks, Powell, Anderson, Bailey.

Coach Bob Winter led his golf team, paced by acting captain Bill McDade, into competition with the Metro League teams this year. Their wins or losses did not figure in the league standings.

San Diego's tennis team showed prospects of being very successful with Dick Doss leading the coterie as number one man.

The Bee basketball crew finished with a 5-5 league record, including a split with Hoover, to take fourth place.

Kunzel and Co. splashed to fame, taking third in the Whittier Relays. They also placed high in the winter SCIF's, and were the '49 city champs.

TRACK—Front row, left to right: Coach Patten, Sorenson, manager; Cota, manager; Latham, Norsworthy, Hansen, J. Thomas, captain; B. McInroe, Hechanova, R. Simpson, Coach Burrows. Second row: W. Malabanan, Harper, Picou, Lauricio, Kuykendall, R. Smith, Taylor.

Track

Nearing the annual deadline, the fine Hilltop track squad were running over nearly all of their opponents.

In one of the top meets of the year, the Huntington Beach Relays, the cavemen outclassed many of Southern California's finest track squads, including Grossmont.

The Cavemen rolled up 43 $\frac{2}{3}$ points to take first place in the open division.

The powerful cavemen are out to keep both the SCIF and the Coast League Championships; with the exception of Grossmont, they expect to have little trouble doing so.

In track events, Coach Bill Patten has a terrific foursome in the 100 and 200-yard dashes, with Darnes Johnson, Frank Johnson, Hal Espy, and Paul Brooks all doing slightly over :10.

The Cavemen expect to have some top men in the hurdle class with Dick Simpson, Harold Jackson, Bill and Jim McInroe all looking very good. Herb McClister was top man in the 440-yard run. The distance events are on the capable hands of Hubert Smith, Tony Hechanova and "Blackie" Norsworthy.

Field events took an upswing after Charlie Powell, who had been playing basketball, came out. Howard Simpson was tops in both the high jump and broad jump, high jumping six feet, and doing 22 feet in the broad jump. Little Eugene Wilkey seemed to be tops in the pole vault.

BASEBALL—Front row, left to right: Barnes, Leach, Powell, Short, Sanfillipo, co-captain; Thomas, Bennis, Coach Morrow. Second row: Fisher, manager; E'Golf,

manager; Unyungco, Jordan, Lueken, Fuentes, Hernandez, co-captain; Stratton, Lloyd, Martin, Hubacek, Thorpe, Lutz, Warner, McCary, manager.

Working under the expert tutelage of Mentor Dewey J. "Mike" Morrow, the Hilltop baseball team at press time was apparently on its way to cop both the Coast League and SCIF Championships.

Rated as one of the top teams in Southern California, the Cavemen pasted La Jolla, Kearny, and Chula Vista of the Metro League.

Led by their co-captains Frank "Forlip" Sanfillipo, and Bernard "Beanie" Hernandez, the Cavemen were busy ironing out their weak spots at press time.

Milton Luken and Bud Leach were handling most of the catching chores; Bob Jordan was at first; Doug Hubacek, at second; Bernard Hernandez, at shortstop; Marco Bennis, at third; and in the outer gardens were Charlie Powell, Clyde Thomas, and Sanfillipo.

Wrestling

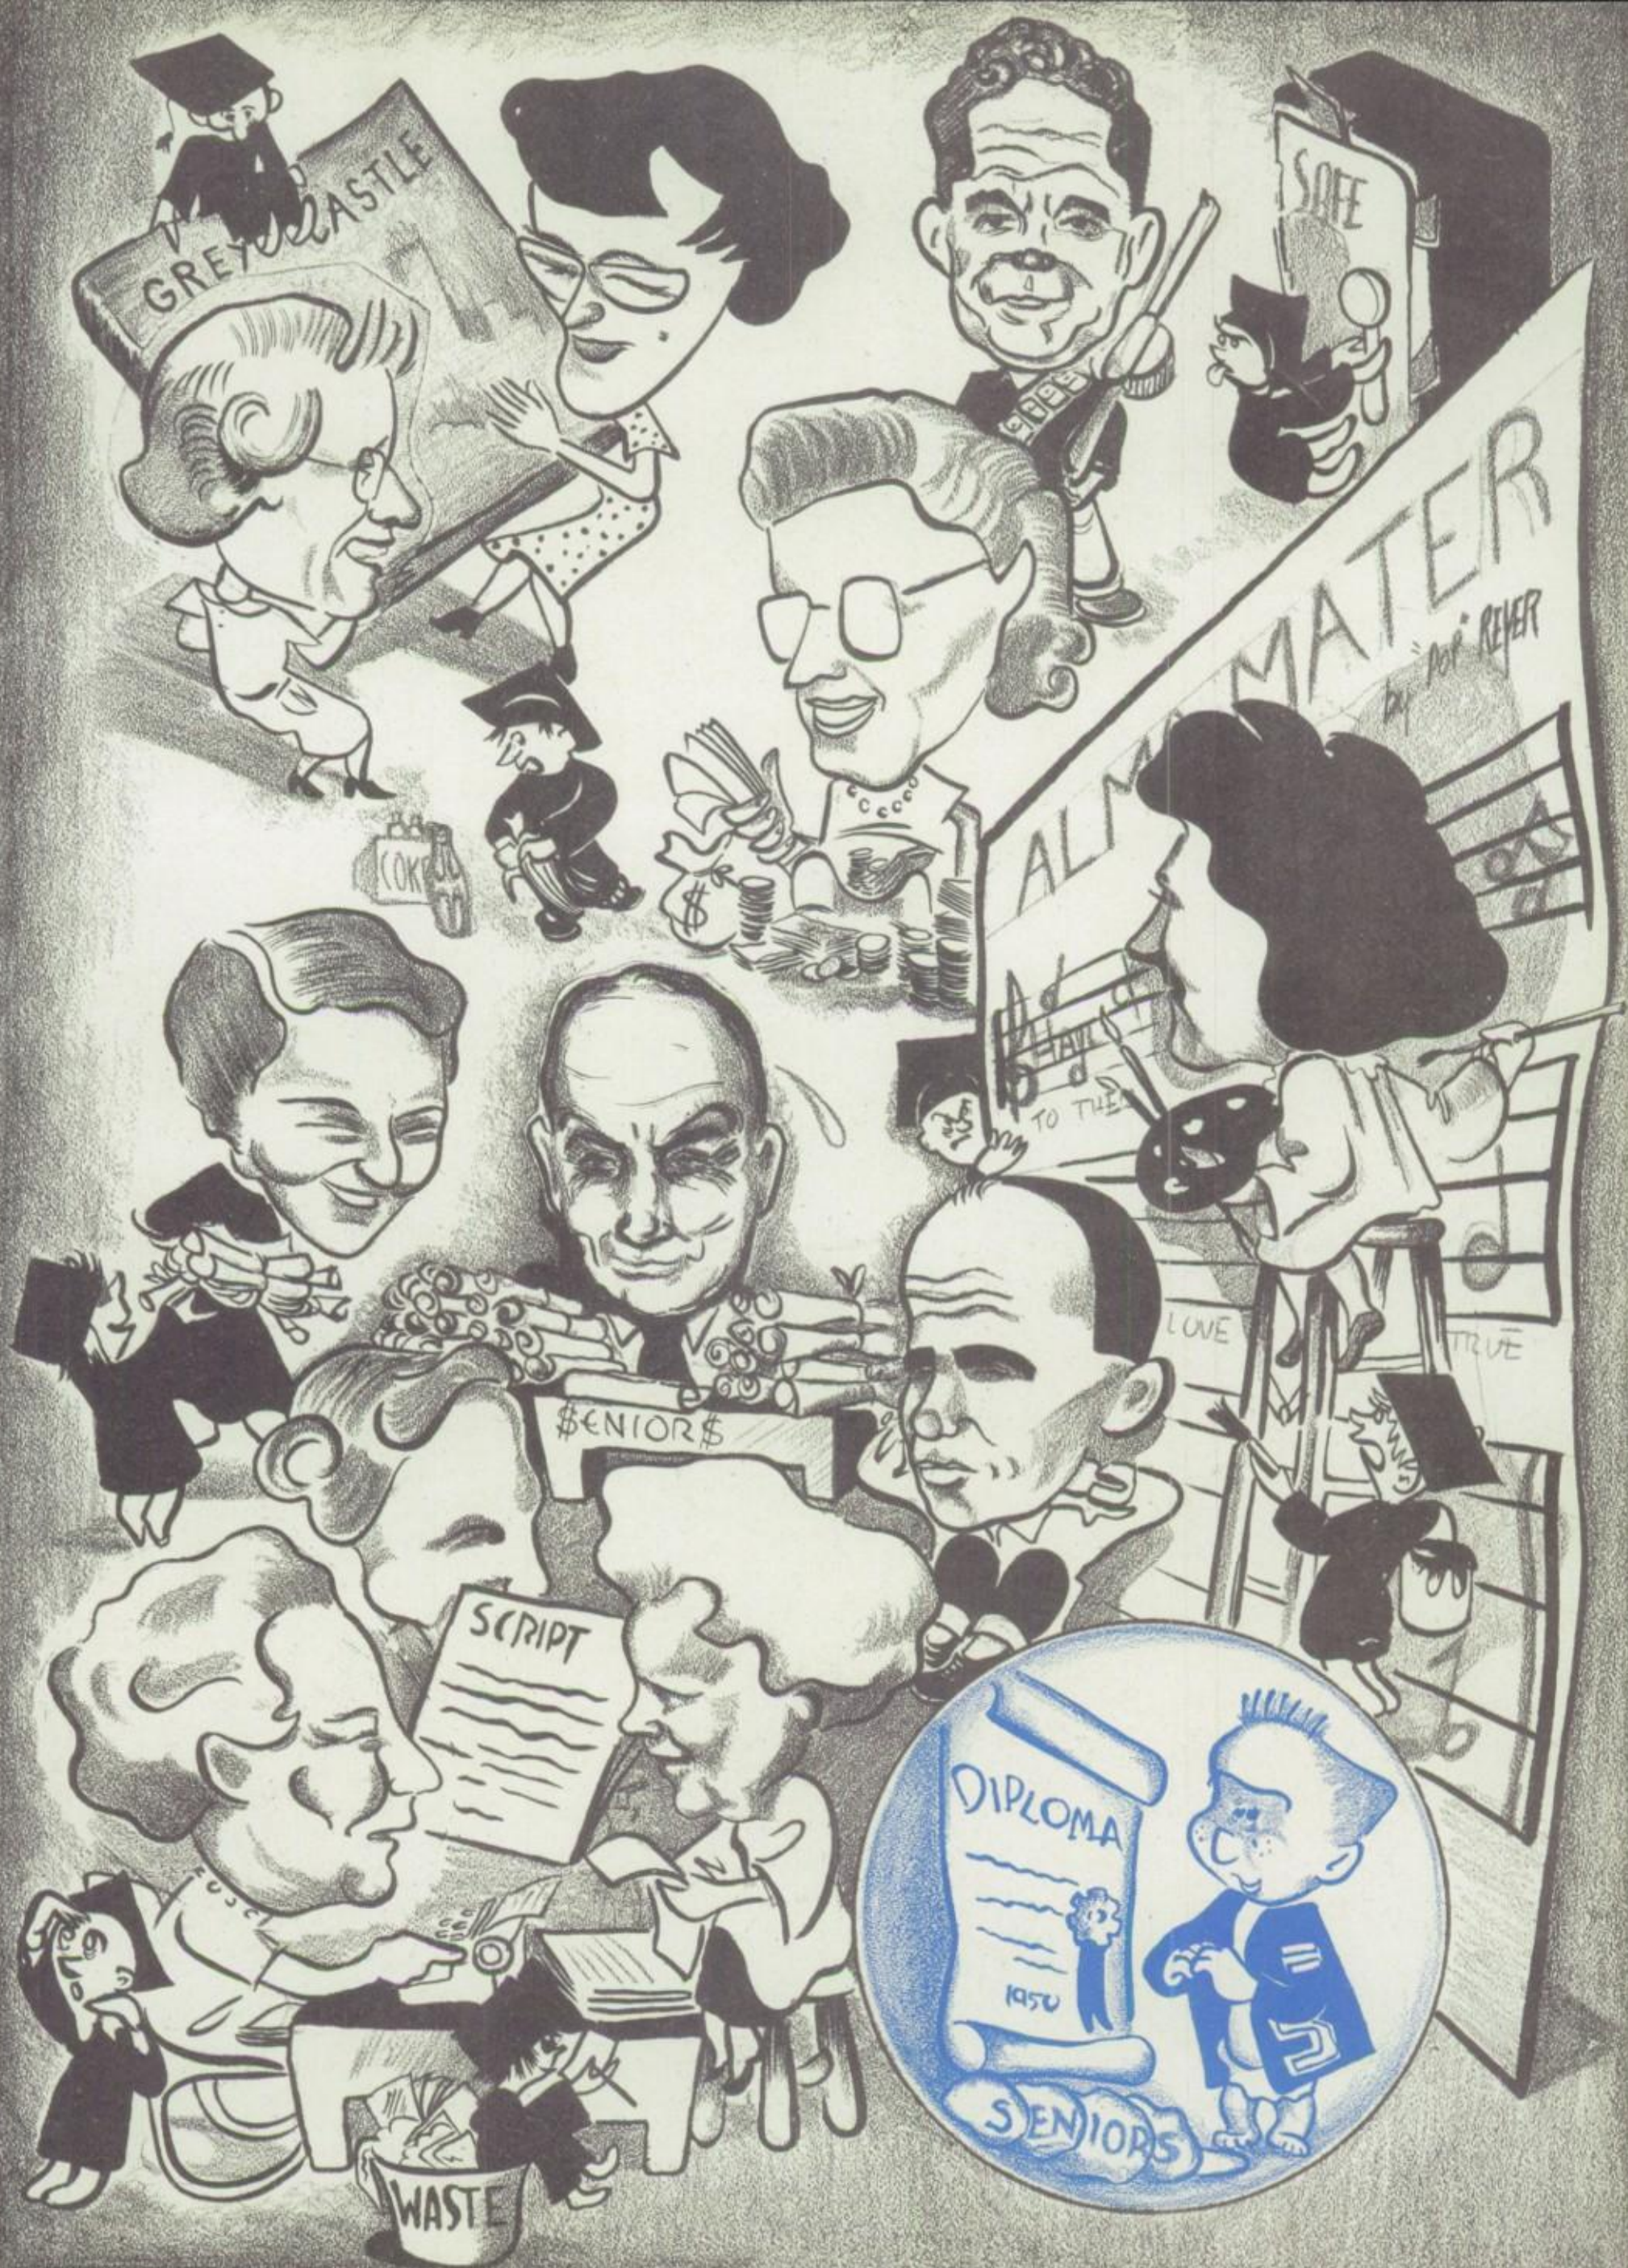

Coach Frank Crosby's "Grunt 'n Groaners" led by co-captains Dick Delgado and Ruben Huston, provided Hilltop fans with many thrills during the past season.

Coach Crosby's boys won the SCIF Wrestling Championship, defeating powerful El Centro. Other laurels included first place in the San Diego and Imperial Counties Novice AAU Wrestling Tournament, and first place in the San Diego City High School League. Theirs was a great season.

Top grapplers of the year were Bob Delgado, Joe Lopez, Chuck Severins, Dick Delgado, Ruben Huston, Charles La Cava, Mike Komas, Chuck Weathers, Sherrill Silas, Bob Ryan, Jimmie Smith and Gary Poyner.

WRESTLING—Front row, left to right: B. Delgado, Severns, Lopez, R. Delgado, co-captain; Weathers, Ryan, Huston, co-captain; Smith, La Cava, Kosmas, Poyner, Silas. Second row: G. Honor Roll

June 16, 1950

The Scholarship Honor Roll of the Class of June 16, 1950, has been compiled in the office of the high school. This record is based on the work of the five senior high school semesters. All students whose semester grades of "A" (superior) number eleven or more are placed on the honor roll. A perfect record for the five semesters would be twenty "A's," as the average student carries four subjects each semester. A few honor students are able to carry five subjects and thus accumulate more than twenty "A's" during their high school course.

Note: Students who enter with grades of "A" from other schools will have their "A's" accepted for the honor roll provided they make as good grades while in attendance at San Diego High School.

Dear Paul -
The best of luck in everything
you undertake. Thanks for
all you've done for us.
Be seeing you next year, I
hope. Maybe I'll get the

Hi Paul:

I wish you all the luck
in the world for everything.

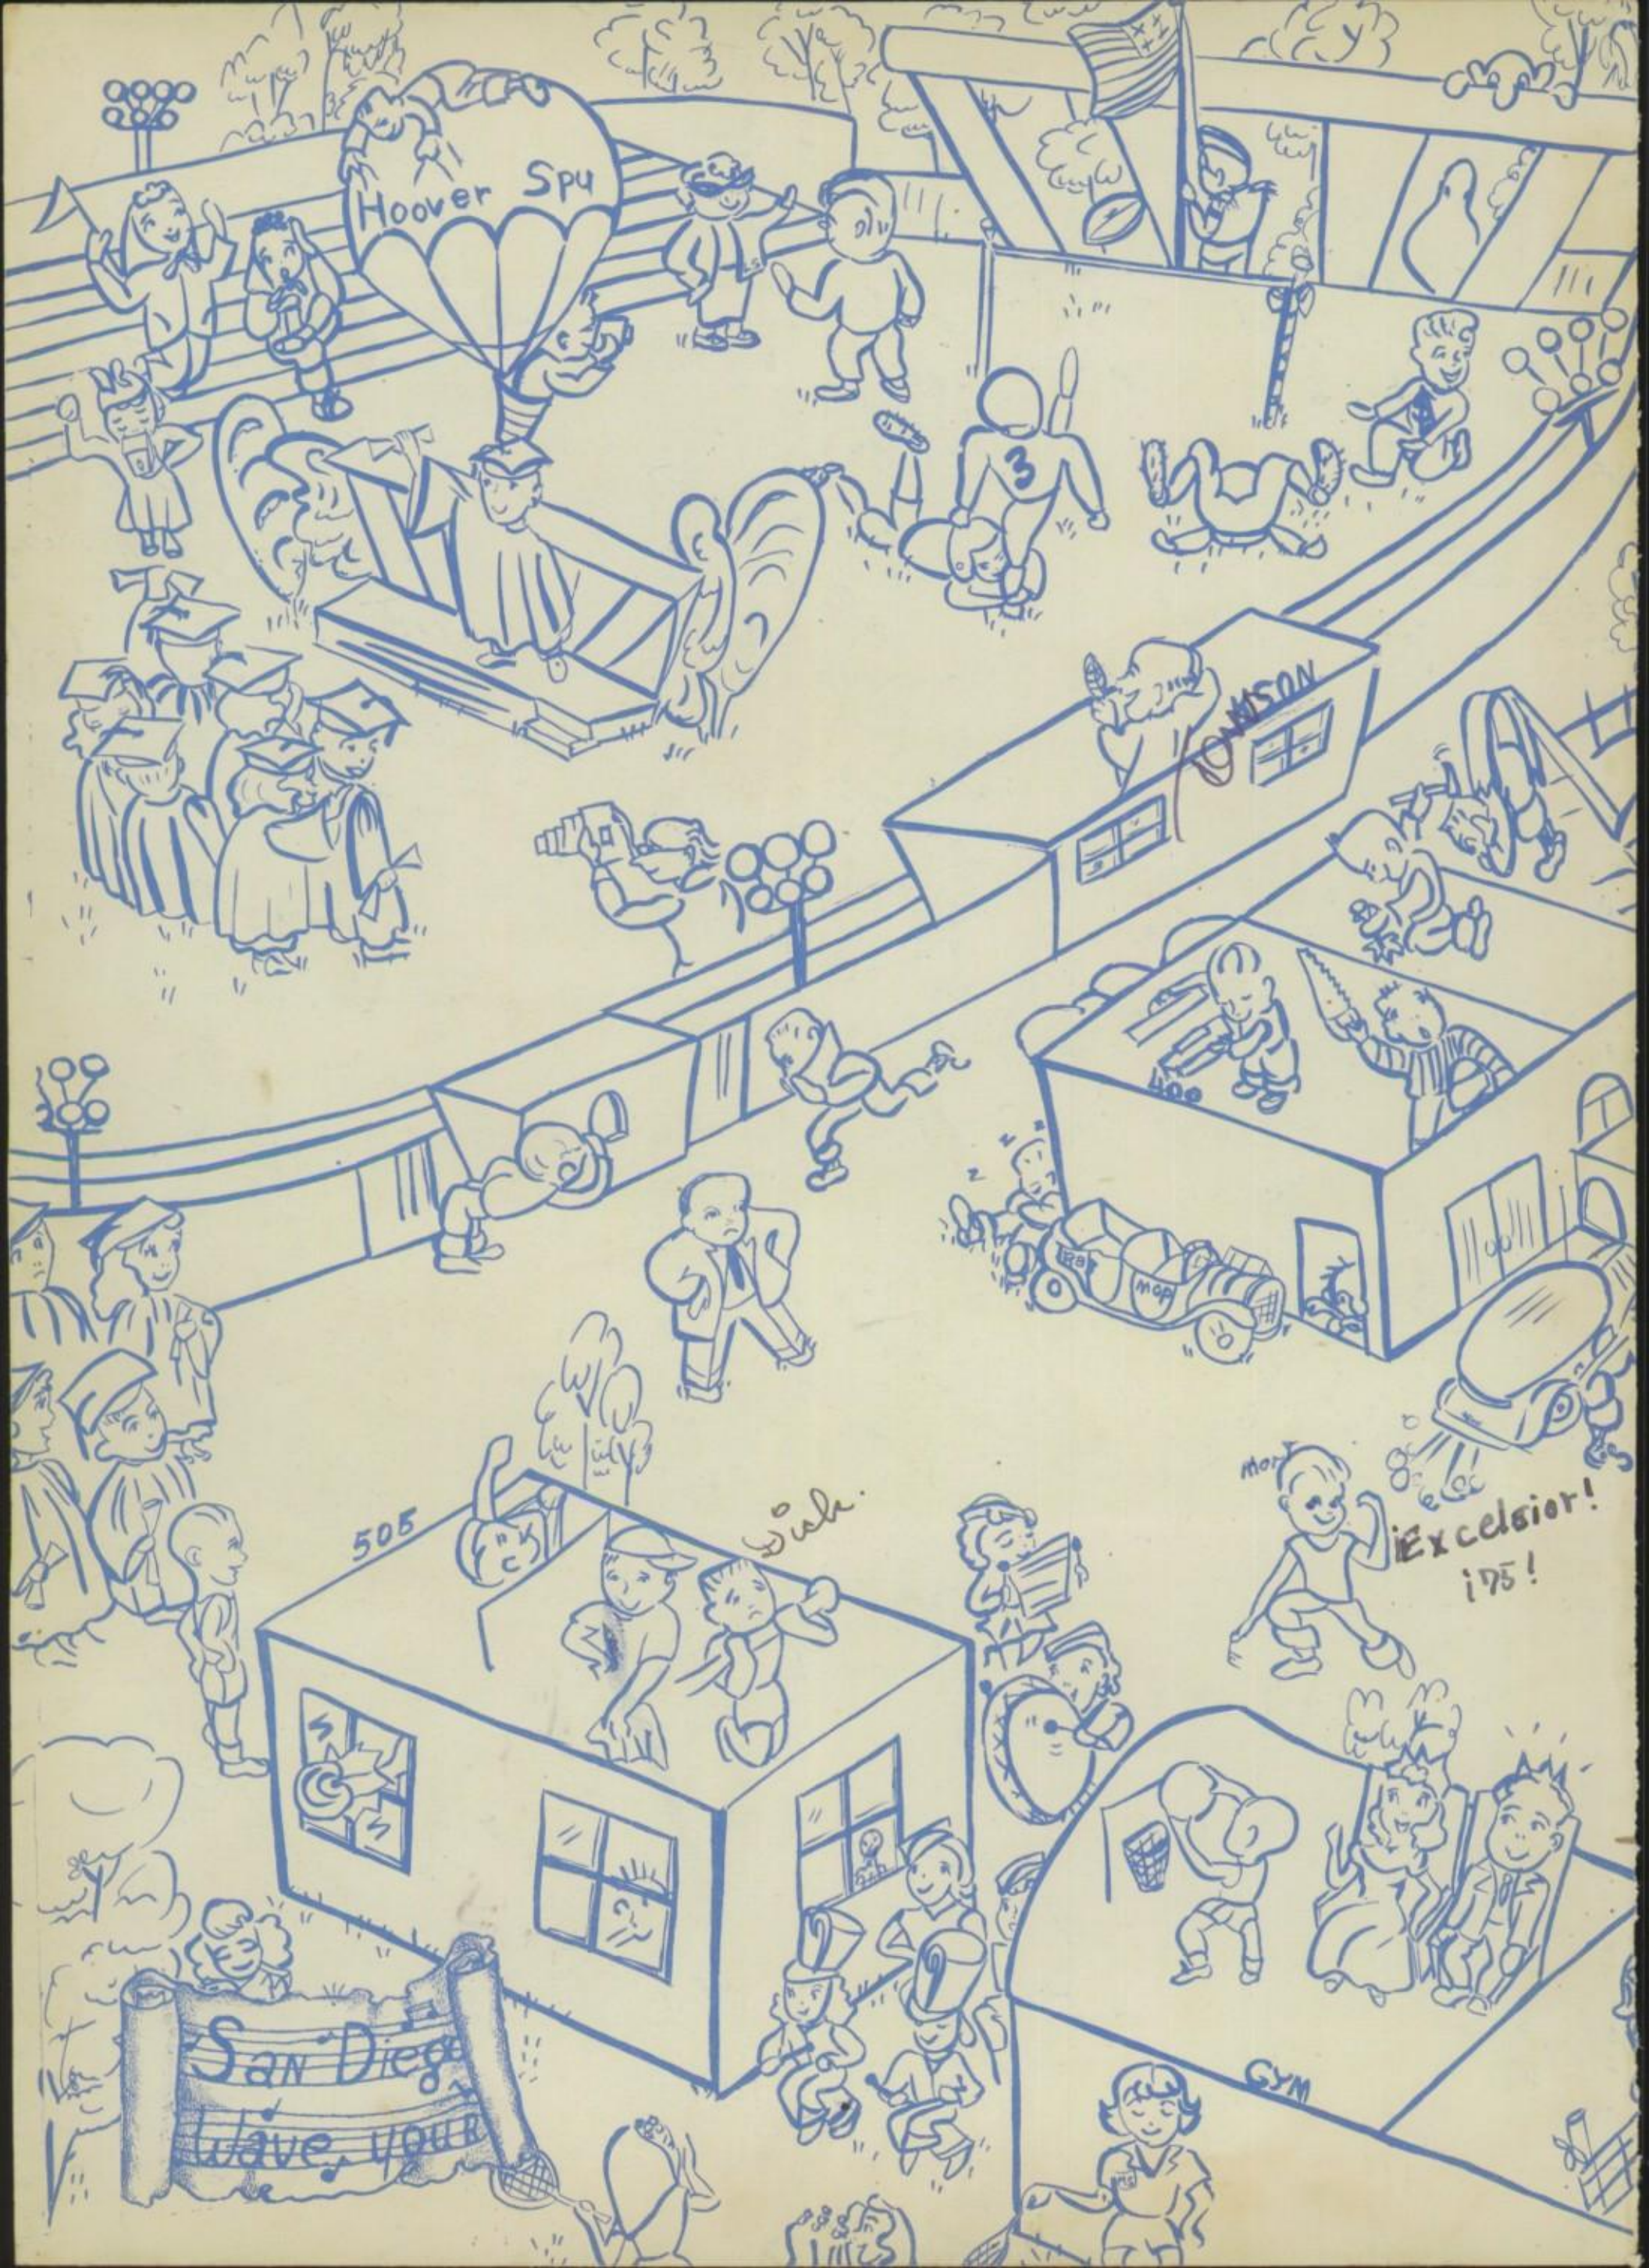

Hope you catch the biggest bass
in Lake Henshaw. (no not Dick)

Take it easy, and hope you
get on Sr. Cabinet.

Paul - It sure has been fun
knowing you these past two
years - First in Latin (something
we can never forget) and then
in Chemistry - (Look this way
kids") I hope you'll have a
good time in your senior year
next year. Keep up the old school
spirit.

Best wishes
